PROFESSIONAL PROFILE

Bachelor's degree in business administration, Technologist degree in Human Talent Management and a Technical degree in Computer Science. Bilingual IT Talent Acquisition Specialist with 7+ years of end-to-end recruiting experience across the US, Europe, and LATAM markets. Skilled in technical interviews, pipeline management, team mentoring, and labor law compliance. Passionate about technology, I complement my recruiter profile with practical experience as a Full-Stack Web and Cross-Platform Mobile Developer, with web applications and mobile apps deployed to production, including releases on Google Play Store.
